Re: Lithium Niobate REACH Compliance Certificate

The Roditi International Corporation Ltd, hereby declares that its single crystal Lithium Niobate (LiNbO₃) products are REACH 201 compliant. The single crystal Lithium Niobate products we supply are considered a basic inorganic raw material that is $\geq 99.99\%$ pure. As such our products do not contain any of the 201 Substances of Very High Concern (SVHC's) in excess of the concentrations permitted as defined by the EU Directive REACH 201 (July 2019) including the four newly restricted SVHC's.

Reference Directive Candidate List:
